

United Across Borders

Becci Sheptock, senior, Mater Ecclesiae College

It would take me a few days to get to where you are
Being that you live so far
You my brother who I do not know
You my sister who I have not met
Have not seen and yet
To whom I feel so close

What separates us is knowledge and space
For I do not know your name or face
But this I know: you are my family
Because my home and yours
Is the Church that spans all lands

We come from countries far apart
From countries all across the globe
And yet I know
That you help me and I help you

For what unites us is greater than space
Greater than distance or color or race
What unites us is strong and stronger will be
Once we meet in eternity

I look forward to that day but until then
I'll remember you in thought and prayer
And though you may be anywhere
I'll feel you close in Mother Church
